

Canadian Pest Control Ltd. has an immediate opening for a career minded, sales professional to market its Pest Management Services & Products to businesses in Greater Vancouver. This position is ideal for a customer-oriented individual who is interested in a challenging, fast paced & very rewarding position within our organization.

All candidates must be well-presented, motivated, organized, self-starters who have a sincere interest in helping clients with their pest management needs.

Experience in Business-to-Business sales is a must, preferably with a background in pest control, sanitation, property management, environmental health, cleaning or janitorial sales.

All candidates must be experienced in developing & working leads into sales with proven success. Also, all applicants must be fully fluent in English.

We offer a competitive compensation package including salary, commission, vehicle allowance, group medical & dental insurance, RRSP program and more.

Please send confidential resume to Wayne Page via email at wayne@canadianpest.com or by fax to 604-524-3500 (no phone calls please).
